

COTTAGE FOOD OPERATIONS (CFO)

What Are They?

A food business that allows you to make certain foods at home.

Food prep in a home other than CFOs are not approved.

PERMIT TYPE:	Class A Cottage Food Operation Registration	Class B Cottage Food Operation Permit Required
SELLS:	 directly to customer	 directly to customer AND to permitted restaurants, markets, and food trucks
SELLS LESS THAN:	\$75,000 of cottage food products a year	\$150,000 of cottage food products a year
NEEDS:	 Class A Cottage Food Operation Registration	 Class B Cottage Food Operation Permit  Pass an annual inspection of your kitchen and food storage areas

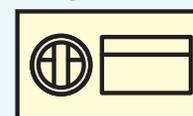

I already have a CMFO and I want to obtain/register as a CFO, what do I need to know?

You need an "A" Registration or a "B" Permit

You need a health permit for your CMFO too

if you sell food that needs prep
