*The estimate is statistically unstable (relative standard error > 25%) and therefore may not be appropriate to use for planning or policy purposes.

¹Question asked: "During the 12 months before you were pregnant with your new baby, did your husband or partner do any of the following to you? Pushed, hit slapped, kicked or physically hurt you in any way?".

²Respondents who answered positively to any of the following questions were coded as "emotionally abused": "During the 12 months before you were pregnant with your new baby, did the baby's father or your partner do any of the following? - 1.He tried to control your daily activities, for example controlling who you could talk to or where you could go, 2. He threatened me or made me feel unsafe in some way, 3. Insulted or criticized me or my ideas, 4. I was frightened for my safety or the safety of my family because of his anger and threats".

³Respondents who answered positively to at least 4 out of 7 following questions were coded as "have social support": During your most recent pregnancy would you have been able to receive the kinds of help listed below? - 1. Someone to loan me money, 2. Someone to help me if I were sick and needed to be in bed, 3. Someone to talk to about my problems, 4. Someone to take me to the clinic or doctor's office if I needed a ride, 5. Someone to help me with household chores, 6. Someone to give me place to live", 7. "Someone to help me with babysitting or child care".
